Apprenticeship

Apprenticeship Mechanical Fitter

THE APPRENTICESHIP

Are you fascinated about how things are put together or ever wanted how different machines work? Do you find yourself spending time in the shed, pulling things a part like to see how they work? If you have a natural eye for detail and are good with your hands, becoming a Mechanical Fitter apprentice could be for you!

Undertaking this Four-year apprenticeship will give you the opportunity to become a qualified Mechanical Fitter earn your Certificate III in Engineering – Mechanical Trade

You will gain valuable skills focusing on hydraulic equipment and learning to read and follow schematics, trouble shooting and fault finding. Learning how to use the latest cutting edge CNC machinery and robotics.

The position is located in Mt Thorley, and you will be hosted with a proud family owned and world renowned regional Australian innovator and manufacturer. Established in 1980, they have become one of the leading advanced manufacturing facilities in NSW.

THE BEST BITS

- No HECs Debt – in fact, most apprenticeships are fully funded by the Government. So you will leave your 4 years with a qualification, no debt and ready to earn the big bucks in an industry that is eager for more qualified tradespeople to join their ranks;
- We will actually pay you to learn! How many of your Uni mates get paid to study?
- Potential to be selected for one of MIGAS' annual MiScholarship funding, a combination of a cash prize and additional financial support;
- Your own personal MIGAS mentor who will guide you through your apprenticeship; and
- Free uniforms and PPE when you start with MIGAS;
- We are a culturally diverse employer and actively advocate for local Indigenous Australians and women in trades
- Above award rates

WHO SHOULD APPLY

We are looking for motivated and hardworking applicants who are serious about getting a highly sought-after trade qualification and are committed to developing their career within the engineering industry. You will have an excellent attention to detail, a demonstrated aptitude for English and Mathematics, ability to show initiative both individually and as part of a team, enthusiasm to learn, and a 'safety first' attitude.

Must have's

- Valid driver's licence

If you think this could be you – apply online now by submitting your resume and cover letter explaining why you think you would be the Mechanical Fitter Apprentice!

Not sure what to say in a cover letter? Don't sell yourself short – visit our website for some great tips on how to write a stand-out cover letter: <https://www.migas.com.au/news/how-to-write-a-cover-letter/>

Apprenticeship Boilermaker 1st year

THE APPRENTICESHIP

Do you have an eye for detail and work best with your hands? Are you drawn to working with metal and find yourself picturing how things are made and what you would do differently? A Boilermaker apprenticeship could be what you are looking for.

Undertaking this apprenticeship will give you the opportunity to become a qualified in Boilermaker and earn your Certificate III in Engineering – Fabrication Trade

You will learn the ins and outs of welding and fabrication within a large workshop, you will hone your skills on exciting projects, and be trained to the highest standard in the use of all fabrication techniques.

The position is located in Mt Thorley, and you will be hosted with a proud family owned and world renowned regional Australian innovator and manufacturer. Established in 1980, they have become one of the leading advanced manufacturing facilities in NSW.

THE BEST BITS

- No HECs Debt – in fact, most apprenticeships are fully funded by the Government. So you will leave your 4 years with a qualification, no debt and ready to earn the big bucks in an industry that is eager for more qualified tradespeople to join their ranks;
- We will actually pay you to learn! How many of your Uni mates get paid to study?
- Potential to be selected for one of MIGAS' annual MiScholarship funding, a combination of a cash prize and additional financial support;
- Your own personal MIGAS mentor who will guide you through your apprenticeship; and
- Free uniforms and PPE when you start with MIGAS;
- We are a culturally diverse employer and actively advocate for local Indigenous Australians and women in trades

WHO SHOULD APPLY

We're looking for motivated and driven individual who is passionate about building a career within the fabrication trade. You will be confident using tools, have mechanical aptitude. Be enthusiastic to learn and able to follow instructions as well as take initiative. You will also be able to demonstrate maturity, respect and a 'safety first' attitude within a workshop environment.

Certificate II level prevocational qualification or related work experience (paid or volunteer) will be highly regarded.

Must have's

- Drivers Licence/Car preferable
- Be able to pass a pre-employment medical test / Drug and Alcohol

If you think this could be you – apply online now by submitting your resume and cover letter explaining why you think you would be the Boilermaker Apprentice!

Cert III Engineering Mechanical Apprentice - Fitter (D2369)

Our Host employer Bridon-Bekaert in Mayfield East is seeking an Engineering Mechanical Trade (Fitter) apprentice.

Bridon-Bekaert is one of the most well-known and respected brands in the wire rope business worldwide. Bridon's history of rope innovation spans back to the 18th century, and the rich history and technical knowledge behind the brand's products are what make Bridon ropes some of the most trusted in the world for demanding applications. Bridon products provide solutions in markets where there can be no compromise over product performance and integrity, such as in construction, mining, oil & gas extraction, telecommunications and other specialised areas of engineering. Bridon-Bekaert's site at Mayfield East has over 100 employees many of whom are long term employees.

The successful apprentice will be taught all aspects of the Engineering Mechanical Fitter trade and will attend TAFE to complete their Certificate 3 in Engineering Mechanical Trade qualification.

DESIRABLE REQUIREMENTS:

> Minimum Year 11 schooling

MANDATORY REQUIREMENTS:

> Must be an Australian Citizen or have right to work in this country

> Tertiary graduates need not apply

Ai Group Apprentice and Trainee Centre is a Group Training Organisation who employs apprentices and trainees then places them with Host Organisations. We provide support for all apprentices and trainees by way of our mentoring program which fits in with a regular cycle of visiting in the workplace and training provider. We are there to assist and guide you through not only the apprenticeship/traineeship but where necessary provide support and assistance to allow you to successfully complete your work and training commitments and gain your qualification.

A Certificate III Engineering Mechanical Apprenticeship will involve:

- > Examine and evaluate drawings and specification for requirements.
- > Operate and adjust metalworking machines and create parts or tools by turning, boring, milling, shaping, slotting, grinding or drilling metal stock or components.
- > Fit and assemble metal parts, tools or sub-assemblies (including brazing or welding parts, repair or replace faulty parts).
- > Cut, thread, bend and install hydraulic and pneumatic pipes and lines.
- > Set up and/or operate hand and machine tools, welding equipment or Computer Numerically Controlled (CNC) machines.
- > Ensure accuracy and quality of finished parts, tools or sub-assemblies.

This apprenticeship is a Skills Shortage Trade.

Employees of Ai Group ATC are expected at all times to uphold the values of integrity, honesty and excellence and must exhibit a strong work ethic. All employees are expected to be effective at time management, enjoy working within a team environment and possess a sincere interest for their chosen trade.

Please include a covering letter with your resume.

Apprenticeship

Engineering Fabrication (Boilermaking) Apprenticeship

Who you'll be working with...

HVTC Hunter is an expert in the employment and training of apprentices. We believe skills change lives and that apprenticeships and traineeships can open doors to incredible careers. This is why we partner with businesses to match the right person with the right career.

During your apprenticeship, you'll be employed by us, while completing on-the-job training with our Rutherford based Host Employer. We'll provide you with ongoing mentoring and support to help you achieve your career goals and unleash your true potential.

So what are you waiting for?

What you'll be doing...

You will complete a [Certificate III in Engineering Fabrication](#) qualification over 48 months through a combination of formal training with a Registered Training Organisation (RTO) and practical on-the-job experience with the Host Employer.

Throughout your formal training and practical experience in the workplace, you will have the opportunity to:

- Weld, oxy cut, grind and roll
- Read and interpret drawings
- Maintain and operate plant and equipment
- Participate in safety activities and risk assessments
- Clean and maintain work areas
- Assist qualified tradesmen

What you'll bring to the table...

To be successful in this role, you'll need to meet the following selection criteria:

- Demonstrated passion for the fabrication trade
- Ability to work as part of a team
- Commitment to both on and off the job training
- A can-do attitude and willingness to learn
- Ability to work safely and follow instructions
- Aptitude in mathematics
- Honest and committed
- Good communication skills, written and verbal
- WHS Construction Card (Whitecard)
- Drivers licence (P1 or higher) and reliable transport

What to do next

To apply for this role, click the 'Apply for this job' button and then follow the steps to complete your application. You can also apply online at www.hvtc.com.au by clicking on 'Vacancies' and selecting the relevant position, then the 'Apply Online' button at the bottom of the page.

All applications require a resume and cover letter addressing the selection criteria.

If you have any questions about this role please contact Kiara Nicoll on [\(02\) 4932 4222](tel:0249324222).

Applications close Thursday 19th November 2020

As a recognised 2019 Diversity Champion HVTC are committed to Equal Employment Opportunities, Ethical Practices, and the principles of Cultural Diversity. We encourage applications from all members of the community, including people from indigenous backgrounds, women seeking non-traditional trade opportunities and mature aged people.

 **HVTC** skills change lives

Fitting and Machining - First Year Apprentice

Teterin Engineering is a highly reputable, well-established and professional engineering firm, specialising in precision engineering and engine reconditioning. Established in 1947, we pride ourselves on a culture of delivering on our commitments. Experts in diesel engineering, we provide cutting-edge technology and engineering capability to our clients, which we attribute to our most valuable asset – **our people**.

About the role

We have an exciting new opportunity for you to start your career with us as a 1st year Fitting & Machining Apprentice (Engineering Cert III).

Based in our state of the art facility in Islington, you will learn a range of precision engineering techniques including

- engine reconditioning,
- engine rebuilding,
- machining, grinding, both manual & CNC,
- dynamic balancing,
- ferrous and non-ferrous welding and
- metal arc spraying.

About you

To be successful in this role, you will have:

- Completed year 12 Higher School Certificate or year 10 School Certificate with strong results in Mathematics, English as well as Design/Technology subjects.
- A strong desire to learn, with an ability to follow instructions and a commitment to completing and passing all assessments.
- A high level of attention to detail and aptitude for quality workmanship.
- Effective interpersonal skills and an ability to build rapport.
- A high level of awareness and commitment to workplace health and safety.
- Ability to work effectively both autonomously and as part of a team.
- Self-motivated, positive and proactive attitude.
- A strong work ethic, with a high level of honesty and integrity.
- Good time management and organisational skills.
- Current drivers licence.

Applicants who have completed a pre-trade course and/or work experience within the metals and engineering field will be very highly regarded.

What are the benefits for you?

- On the job and TAFE based training;
- A Trade Qualification upon successful completion;
- Ongoing Apprenticeship support from your colleagues as well as your Apprenticeship Network Provider;
- All uniforms and personal protective equipment provided.

Your days of work will be Monday to Friday, with occasional weekend work available.

If you have a mechanical mindset and a thirst for learning, and this role sounds like you, we would love to hear from you.

To apply, please send us your cover letter addressing the above criteria, resume, HSC / ATAR results or School Certificate results via the link below.

Successful candidates will be required to undergo a pre-employment medical.

Apprenticeship

1st or 2nd Year Chef Apprenticeship - Balmoral

Apprentice Chef

HTN is Australia's largest group employer of hospitality, tourism and food service apprentices. We are a trusted company who work with a network of highly successful businesses, restaurants and chefs to provide you with a unique opportunity to undertake a culinary career.

1st/ 2nd Year Apprentice Chef – about the role

As an apprentice chef, you will work alongside qualified chefs assisting in all aspects of food preparation and presentation. This position provides the opportunity to learn and build experience in a commercial kitchen environment. We are looking for a passionate individual who is wanting to develop knowledge in commercial cookery. Most importantly working as an apprentice chef will give you the skills and knowledge to one day run your own kitchen!

Work Environment:

Set on Sydney's Balmoral Beach overlooking Middle Harbour, the much-loved Bathers' Pavilion combines beachside elegance with a 1920s art deco soul and Mediterranean charm. Bathers' is the perfect Sydney restaurant with a view for special occasions, life's celebrations, a family meal or even the ultimate beachside fish and chips.

Owners Ian Pagent and Jessica Shirvington deliver the best of Australian coastal dining, from beach snacks through to fine dining, across a variety of different spaces within the grand heritage building. All with spectacular views over Balmoral Beach.

It's classic. It's coastal. It's Bathers'.

Apprentice Chef Responsibilities:

- You will learn the tricks of the trade and work with bigger quantities of food and a variety of seasonal ingredients
- Help prepare and cook dishes while training to be a full-time qualified chef
- Clean, maintain and store kitchen equipment appropriately
- Under supervision, you will operate kitchen equipment such as mixers, choppers, fryers, steamers and learn different knife and cooking techniques

Apprentice Chef Skills:

- Demonstrates good communication with energy and enthusiasm
- Seeks out opportunities to learn
- Demonstrates awareness and listens to feedback
- Recognises and respect relevant kitchen policies
- Shows initiative, flexibility & curiosity

Eligibility

To be eligible to work as an apprentice or trainee in NSW you must either have:

- Australian Citizenship
- Australian Permanent Residency
- New Zealand Passport Holder residing in Australia for more than six months
- Holds visa that is identified by Training Services NSW as being eligible

This position would also be suitable for individuals interested in cooking, kitchen hand and hospitality

**Applications for this position are being handled by HTN **

Waiters, chef/cook, apprentice

About us

The Deck restaurant is situated at Soldiers Point Marina. The restaurant seats approximately 80 people and is Family run, providing authentic Mediterranean food along with an expansive menu with plenty of variety. We are open for breakfast, lunch and dinner 7 days a week, providing dine in and take away service. We are looking for enthusiastic candidates to work in a fast pace team environment. Must be dynamic, willing to learn on the run and be a strong team player.

Qualifications & experience

- experience floor staff
- kitchen - cook
- kitchen - apprenticeship offered

Tasks & responsibilities

general kitchen duties, general dining floor duties

Apprenticeship

Apprentice Mechanical Fitter

- Be part of an established brand with real career progression opportunities
- Supportive team environment
- Earn while you learn!

At Programmed we are passionate about sourcing great local talent and providing our people with opportunities for growth and development. We have a long and proud history of employing apprentices in our business with many of our leaders having started their careers undertaking an Apprenticeship.

The Role

Due to continued growth we are looking for hardworking and enthusiastic individuals to join our NSW (Hunter Mining Region) team as a **1st year Apprentice Fitter**, based in **Muswellbrook**. Working closely with experienced Fitters, Supervisors and even other Apprentices you will gain valuable skills & knowledge to ultimately secure your trade qualification (Certificate III in Engineering - Mechanical Trade).

As an Apprentice Fitter you will learn how to fabricate, assemble, maintain and repair various equipment and machinery, and will have exposure working in a workshop environment as well as various client sites. Your week will incorporate learning the trade at TAFE and receiving hands-on, on-the-job training.

We will invest in you over the four year apprenticeship so you can continue your career with us as a qualified Fitter and provide you with the opportunities to progress your career, with potential to move into Leadership roles such as a Site Supervisor or Operations Manager in the future. An apprenticeship can open up a world of possibilities.

Skills and Experience

- Motivation to succeed and a willingness to learn;
- Values team work and has a positive attitude to working in a safe and productive manner;
- Ability to follow direction with excellent attention to detail;
- The ability to listen and understand customer and company requirements;
- Commitment to building a long term career;
- Completion of Year 10 or equivalent;
- A current Drivers License is preferred, but not essential; and
- Completion of a relevant pre-apprenticeship course is advantageous, but not essential.

This is an outstanding opportunity to begin your career with an industry leader. It is the ideal role for someone who has a genuine desire to pursue a career in the Industrial Maintenance industry.

A January 2021 commencement is anticipated.

Who are we

Programmed Industrial Maintenance is a leading provider of industrial maintenance solutions to the mining, oil & gas, manufacturing, utilities and infrastructure industries, leveraging scale to deliver localised services efficiently. Working with Programmed Industrial Maintenance means you will become part of the Programmed family; a company that encourages career development, supports flexibility and cares about your personal wellbeing and safety.

Our Commitment

Programmed and PERSOLKELLY supports a workplace culture of zero harm and encourages this in all that we do.

Programmed and PERSOLKELLY strives for diversity, inclusion and equality of our people. We seek a workforce that is representative of the communities we work in. We encourage people of all cultures, gender, age, sexual orientation or abilities to apply.

Automotive Electrical Apprenticeship

- National industry leading employer
- Gain a Certificate 3 in Automotive Electrical Technology
- Tuncurry Location

ROLE

MEGT (Australia) Ltd makes Apprenticeships and Traineeships happen. If you are looking at starting your career, an Apprenticeship is a great way to receive training and skills while you are working.

MEGT RMS in conjunction with our Host Employer, are looking for a mechanically minded superstar! Our Host Employer has been operating for over 80 years in the waste, recycling, and industrial services throughout Australia. The Host Employer has a fleet more than 250 heavy vehicles they use in everyday operations.

As a 1st Year Automotive Electrical Apprentice, you will be working alongside and learning from highly experienced tradesmen. This position would suit a candidate that has a keen interest in trucks or large machinery, as you will be working on these daily.

Your duties will include and not be limited to;

- Specialising in auto electrical systems on heavy and light vehicles and plant equipment
- Use of electronic diagnostics systems to diagnose electrical faults
- Maintenance of audio, alarm, radio, GPS, locks, windows, security systems and hydraulics
- Assisting tradesmen within the workshop with day to day services and breakdowns
- Using hand and power tools
- Workshop housekeeping
- Use and maintain workplace tools and equipment
- Use of computer diagnostic equipment
- Ensure workplace is kept clean and tidy
- Use and maintain workplace tools and equipment

SKILLS & EXPERIENCE

To be considered for this opportunity ideally you will have:

- Drivers Licence (manual) and own transport
- Completed Year 12 High School Education
- Ability to demonstrate working in a team environment
- Superior Safety Awareness
- Work experience or completed relevant studies in automotive or engineering
- Basic understanding of mechanics and demonstrate an interest in this field
- Long term career goals to grow with the company

COMPANY CULTURE

Our Host Employer is one of the largest in their industry, with major contracts throughout Australia. This Host Employer is looking to offer the right candidate a step into a career that will lead to further opportunities within the company and gaining valuable on the job skills for the future. Excellent opportunity for someone who has a passion for the automotive industry, especially with the larger scale vehicles.

BENEFITS

- Receive a Trade qualification in Certificate 3 in Automotive Electrical Technology
- MEGT Field Officer for constant support in the Apprenticeship
- Uniforms and PPE provided

HOW TO APPLY

If you are ready to take your career to new heights and are ready to join a company who are looking to hire the industry's best and brightest talent - simply hit 'Apply' now and send your resume to MEGT today.

The first stage of the selection process will involve a phone interview and only successful applicants will be contacted. Final interview stage will be an onsite interview with the Host Employer, along with completing a pre employment medical, including drug and alcohol test.

MEGT (Australia) is a Child Safe and Equal Opportunity employer committed to child safety and providing a work environment that values diversity and inclusion

Chef Apprenticeship - 1st, 2nd or 3rd Year

Apprentice Chef

HTN is Australia's largest group employer of hospitality, tourism and food service apprentices. We are a trusted company who work with a network of highly successful businesses, restaurants and chefs to provide you with a unique opportunity to undertake a culinary career.

Apprentice Chef – about the role

As an apprentice chef, you will work alongside qualified chefs assisting in all aspects of food preparation and presentation. This position provides the opportunity to learn and build experience in a commercial kitchen environment. We are looking for a passionate individual who is wanting to develop knowledge in commercial cookery. Most importantly working as an apprentice chef will give you the skills and knowledge to one day run your own kitchen!

Work Environment:

- HTN Apprentice chefs have access to variety of kitchens in restaurants, hotels, cafés, catering companies, clubs and other independent food service contractors. We work with you to find your perfect fit.

Apprentice Chef Responsibilities:

- You will learn the tricks of the trade and work with bigger quantities of food and a variety of seasonal ingredients
- Help prepare and cook dishes while training to be a full-time qualified chef
- Clean, maintain and store kitchen equipment appropriately
- Under supervision, you will operate kitchen equipment such as mixers, choppers, fryers, steamers and learn different knife and cooking techniques

Apprentice Chef Skills:

- Demonstrates good communication with energy and enthusiasm
- Seeks out opportunities to learn
- Demonstrates awareness and listens to feedback
- Recognises and respect relevant kitchen policies
- Shows initiative, flexibility & curiosity

Eligibility

To be eligible to work as an apprentice or trainee in NSW you must either have:

- Australian Citizenship
- Australian Permanent Residency
- New Zealand Passport Holder residing in Australia for more than six months
- Holds visa that is identified by Training Services NSW as being eligible

This position would also be suitable for individuals interested in cooking, kitchen hand and hospitality

Junior Apprentice Bakers - Banjo's Bakery Café Glendale

Junior Apprentice Bakers

Banjo's Bakery Café Glendale

Full Time

We are currently seeking two Junior Apprentice Bakers to join our Banjo's Bakery team in Glendale.

As an Apprentice Baker, you will receive on-going training and development, and the opportunity to work as part of a winning team in a fun, busy and supportive environment.

The successful candidates must be available for starts as early as 1 am and must be available to work a variety of shifts across a seven day roster.

Weekend and public holiday work will be required.

Your key roles and responsibilities will include:

- Producing great tasting breads, pastries and sweets
- Working with other Bakers and the Production Manager to ensure a high standard of the product quality and range is achieved
- Excellent organisational and communication skills to ensure product is delivered on time to meet customer demands
- Achieving a high standard of cleanliness
- Maintain a high level of safety
- Providing excellent customer service
- Supporting other team members and foster good working relationships

At Banjo's we love making great tasting, fresh out of the oven food and most of all making our customers happy. We are also passionate about bringing out the best in the people who work for us.

If you are passionate about people and about food, we would love to hear from you.

Business Services Certificate 3 – School Based Traineeship

Maxim Advisors includes an accounting and financial planning business under the one roof. We are a young, vibrant and progressive team, always looking for the best results for our clients.

We have a great team culture as well as a bright and spacious office overlooking Newcastle Beach.

We are looking for an energetic person to come into our team and work with our administration and client service coordinators to deliver the best experience possible to our clients. Everyone's contribution matters, from greeting a client and making them a coffee, to sending out important information from the tax office or typing up critical notes from a client meeting with their business adviser. All these roles are important to deliver on our promises for our clients.

If you would like to experience what its like in an office environment, gain some experience, a nationally recognised qualification and a reference to get ahead of the rest after your HSC, then a traineeship is for you.

If you would like to try it out before you commit to a traineeship, we are happy to offer one week work experience in November/early December.

Typical duties once training is provided might include:

- Phone Answering
- Greeting Clients
- Setting meeting rooms
- Kitchen duties
- Scanning/Photocopying/Filing
- Completing forms
- Computer tasks in Word, Excel, database, website
- Internet research
- Replenishing supplies

Attending meetings

100 days across 2 years (usually 1 day per week) is needed to complete the traineeship and training will be offered on the job in our office.

Award wage rates will apply.

Applications close 4 December. We will endeavour to announce a successful candidate prior to Christmas.

We anticipate a start time in either late January/early February, however are flexible.

Enquiries: Erin Marney 02 4925 1000.

- Answering of the phones.
- Job maintenance and reporting.
- Spreadsheets and word processing
- Customer service
- Maintaining business resources
- Accounts payable and receivable
- Data entry
- Workplace health and safety
- ...and much more

Skills and experience

To be successful in this role, you will have:

1. Completed Year 12 or have administration experience;
2. Great written and verbal communication skills;
3. Attention to detail.

Employment conditions and wages will be in line with the Clerks – Private Sector Award 2010 (MA000002) and National Training Wage

Dental Assistant - Traineeship

ATTENTION ALL SCHOOL LEAVERS

Are you a school leaver or considering a career change as a dental assistant?

We are looking for a hardworking, dedicated and bubbly individual willing to commit to a 1-2 year traineeship and the study of a Certificate III in Dental Assisting.

Islington Dental provides high quality dental care across an extensive range of general dentistry with significant experience in anxious and phobic patients. We are a busy and compassionate team of 25, including 4 dentists and 5 therapists / hygienists.

In this role you will have the opportunity to develop your career as a dental assistant and benefit from the experience of our dedicated clinical team, with access to well-equipped newly renovated treatment rooms.

What we are looking for:

- You must qualify for a traineeship, preferably with Apprenticeship Support Australia
- A willingness to commit to a 1-2 year traineeship including formal studies through TAFE
- Focus and commitment on your professional development
- A hard working hands on approach to your work
- Exceptional drive and motivation

What you will learn:

- Infection control protocols
- Sterilisation of instruments
- Chair side assisting for dentists and hygienists
- Setup and shutdown procedures
- Stocking of rooms
- Procedure setup and instrument handling
- Use of equipment including autoclaves, airflow, suction, digital x-ray.

What we are offering:

- Practical clinical experience
- The opportunity for formal qualifications in dental assisting
- Support of your ongoing professional development
- Opportunities for career advancement

Your hours of work may include long days on Tuesday and Wednesday in accordance with our practice hours. We will work around TAFE hours.

Please email your resume to the practice manager at admin@islingtondental.com.au [link removed].

No contact from recruitment agencies please.

Undertaking this 12-month traineeship will allow the successful candidate to complete the Certificate III in Business Administration whilst working full time.

What's in it for you?

- A full-time job
- Paid study time
- 12-month contract
- Gain a nationally recognised qualification
- One on one mentoring and support

The duties of this role include, but are not limited to:

- Answering phones
- Taking enquiries and entering leads into CRM
- Ensuring CRM is updated accurately
- Ensuring all communication is passed onto the relevant staff members
- Administration tasks relating to our Safety Software
- Making up job folders
- Keeping reception area and showroom tidy (once it is finished being built)
- Filing and scanning
- Learn the use of the invoicing features of Xero
- Stationery and general consumables management
- Appointment setting and reminders
- Exceptional customer service both internally and externally
- Support with some HR functions such as induction documentation
- Mail and banking duties
- Organising catering for staff events when required

Who should apply?

The ideal candidate will be an enthusiastic individual with the ability to prioritise multiple tasks, be self-motivated and displays initiative. Experience using Xero will be highly regarded.

Essential Criteria:

- Google Suite and Microsoft Office experience
- Drivers licence
- Reliable transport
- Participate in team building activities
- Growth mindset

To make application for the position please send through a cover letter and resume. This position is subject to a medical and drug and alcohol testing.

Please be aware this is an entry level position and not suitable to someone who has completed a qualification equal to or higher than a certificate III.

Due the high volume of applications we receive only successful applicants will be contacted.

HunterNet Group Training Limited engages apprentices and trainees, with the aim of achieving high quality outcomes through a partnership approach.

ECT | CERT III & DIPLOMA EDUCATORS | TRAINEES

Come and join a great team culture where you play an integral role in shaping how we influence the lives of children at our centres located in Cardiff, Huntlee and Thornton.

We are currently seeking the following positions; ECT, Diploma and Cert III Educators and Cert III Trainees, who are passionate about early childhood education and care and has experience in the sector.

Our Educators build and maintain positive relationships with children, families and the local community and most importantly you will make a difference to the lives of the children in our care.

Cert III Traineeships:

This is a great opportunity to gain a qualification whilst working in a most rewarding profession. Further career opportunities are available to successful applicants. We provide a friendly atmosphere where you feel valued, appreciated and ideas are welcome.

You will complete a Certificate III in Early Childhood Education and Care whilst you gain hands on practical experience and mentoring from the existing team of educators.

You will need a great work ethic and committed to completing the course as well as caring for young children. Demonstrate a passion for working with children and caring to their needs.

This qualification is fully funded by the employer.

You will need to apply for a Working with Children Check prior to commencement.

What we offer:

- Focus on professional development
- Ongoing training provided
- Paid traineeships available
- Staff mentoring program
- Staff incentive and recognition programs
- Fantastic career opportunities

Don't miss this opportunity if you're looking to work for an organisation which offers a professional and supportive culture which HIGHLY values developing our employee's careers and future success in childcare.

If this sounds like you, hit the apply now button!

Sales Administration Trainee

We have a traineeship position available for commencement in early 2021. The trainee will work under the direct supervision of the General Manager and will work alongside the sales and production teams. The traineeship is a rare and exciting opportunity for someone with an interest in either or both sales and business administration.

Ideally we are looking for someone who may be leaving school with a Certificate 2 already completed and / or some practical experience in either or both fields.

Strong literacy and numeracy skills are absolutely essential and this includes IT / digital literacy.

Being an organised and motivated person who is keen to be guided by others will be of value to us.

We design, sell, assemble and service a wide range of electric vehicles.

Based at Tomago the traineeship role offers an opportunity to launch a career as part of a small team while also having the comfort, structure and support of a larger group that has a great reputation for innovative products, quality and customer service.

Applicants please ensure you firstly read the Position Description and then fully and honestly answer all questions in the application form.

We welcome suitable applicants of any gender, racial or cultural background. Our selection will be merit based.

Trainee in Property Management

WE ARE EXPANDING!

Looking for our next team member!

The Role

Ray White Rural Dungog requires a trainee Property Manager and we are willing and able to train you, so experience is not essential. Career progression in the future is envisaged into a property management or other varied role as experience and performance is demonstrated.

What we would love you to have:

Some knowledge of the real estate industry in particular property management is advantageous.

- Knowledge of computers and technology and the ability to quickly adapt to new programs and systems
- A passion for helping clients and great customer service skills
- Strong written communication skills (including spelling, punctuation etc)
- A strong interest in real estate
- Attention to detail and a high level of accuracy when working with computers
- A continuing drive to learn new skills and join a dynamic and driven team dedicated to being the best in the industry
- A happy, positive personality and a confident, independent attitude
- Drivers Licence essential

Note: As this is a trainee position, you must be willing to successfully complete a Certificate IV in Property Services (Real Estate) in addition to your employment. Candidates who are already enrolled and are still completing their course are encouraged to apply.

What we can offer and why work with us...

Aside from all the stuff you would expect to find in a professional property management business such as variety of office work balanced with in the field work, what really sets us apart is the opportunity to work with a driven and ambitious team. We are a specialist organisation and we leave you to get on with what you do best - but we are right there to support and train wherever you need. We'll provide all the tools and training you need to be successful and have a great career with Ray White.

If you have the desire to have a career in Real Estate, call us on [02 4992 2369](tel:0249922369) or email hvpm@raywhite.com.

Applications close 20th November 2020

Traineeship

Business Administration Trainee

Who you'll be working with...

HVTC Hunter is an expert in the employment and training of apprentices. We believe skills change lives and that apprenticeships and traineeships can open doors to incredible careers. This is why we partner with businesses to match the right person with the right career.

During your traineeship, you'll be employed by us, while completing on-the-job training with our Host Employer. We'll provide you with ongoing mentoring and support to help you achieve your career goals and unleash your true potential.

So what are you waiting for?

What you'll be doing...

You will complete a **Certificate III Business Administration** over 12 months through a combination of formal training with a Registered Training Organisation (RTO) and practical on-the-job experience with the Host Employer.

Throughout your formal training and practical experience in the workplace, you will have the opportunity to:

- Filing, printing, emailing, photocopying and scanning
- Greeting and engaging with clients face-to-face, via email and over the phone
- Data entry and management
- Reception duties
- Scheduling appointments
- Other general administrative duties and errands as directed

What you'll bring to the table...

To be successful in this role, you'll need to meet the following selection criteria:

- Ability to work as part of a team
- Commitment to both on and off the job training
- A can-do attitude and willingness to learn
- Ability to work safely and follow instructions
- A genuine interest in Business Administration and making this a long-term career
- Extroverted personality with great people skills
- Polite and well mannered, with a customer focused attitude
- Drivers licence (P1 or above)

What to do next

To apply for this role, click the 'Apply for this job' button and then follow the steps to complete your application. You can also apply online at www.hvtc.com.au by clicking on 'Vacancies' and selecting the relevant position, then the 'Apply Online' button at the bottom of the page.

All applications require a resume and cover letter addressing the selection criteria.

If you have any questions about this role please contact Kiara Nicoll on [02 4932 4222](tel:0249324222).

Applications close 19th November 2020

As a recognised 2019 Diversity Champion HVTC are committed to Equal Employment Opportunities, Ethical Practices, and the principles of Cultural Diversity. We encourage applications from all members of the community, including people from indigenous backgrounds, women seeking non-traditional trade opportunities and mature aged people.

Office Trainee commencing early December 2020

HIE Hunter Signs is a growing family business based in Rutherford NSW.

We are now looking to employee an Office Trainee commencing early December 2020

About the role:

We are looking for a self-motivated individual who can work both alone and within a team environment who is willing to learn to undertake all aspects of our office procedures.

To be considered you will have:

- Minimum achieved year 10 level
- Excellent written and verbal communication skills
- Good working knowledge of MS office
- Ability to work in a fast-paced environment
- An attention to detail
- A willingness to assist other team members
- Self-motivated and able to work unsupervised
- Manual car license or willing to obtain one

At the successful completion of a 12 month traineeship you will graduate with a Nationally Recognised Qualification

Please apply by email including a copy of your resume and the last 2 school reports if applicable to lorraine@hiesigns.com.au

Trainee Automotive Technician Newcastle

- Competitive annual salary + shift penalties
- Employee benefits program
- Ongoing professional development
- Work life balance, flexible rostering and weekend shifts available!

Due to continued growth, our Albury AutoGlass Branch is seeking highly-motivated, enthusiastic and passionate Trainee to join their team and deliver first class service to new and existing customers.

About us ...

At O'Brien®, we put our customer at the heart of everything that we do, serving more than 300,000 Customers each year, 24 hours a day, 7 days a week, 365 days a year. O'Brien® is also part of Belron®, the world's leading glass specialists operating in 35 countries.

About the Role ...

The purpose of this role is to apply technical knowledge and practical skills in the repair and replacement of Automotive Glass in vehicles of all types. Automotive Technicians deliver this service in a professional, timely and safe manner, observing the principles of customer focus and operational excellence in all tasks undertaken.

You will be supported by a team of experienced Technicians and will have access to a range of benefits. You will receive training as well as ongoing coaching and support to ensure you get the most out of your career.

In this role, you will be required to undertake the following duties:

- Participate in the O'Brien® Auto Technician Skills Development Program. This program is designed to develop Auto Technician capabilities to the level required to repair and replace glass on any type of motor vehicle to Australian standards.
- You will be responsible for installing, repairing and replacing safety glass and related materials on vehicles.
- Deliver the service in a professional and timely manner using your amazing people skills
- Maintain communication with the customer on relevant aspects of the job concerned
- Ensure the accuracy of all documentation relating to the customer and associated transactions
- Be a valuable member of our team, contributing to our success and actively helping to create a positive environment

About you ...

You will have already worked in an Automotive or retail role, can quickly build rapport and strive to deliver exceptional customer service at all times.

To be successful in this role you would need to possess the following:

Essential skills & competencies:

- **Must have a manual drivers licence**
- A true passion for delivering customer service excellence
- Confident, engaging approach and a natural ability to communicate
- Resilience and the ability to work in a complex and changing environment
- A strong desire to succeed
- A strong eye for detail
- Excellent self organisation and time management skills

Experience and Qualifications:

- Automotive or Retail experience
- High School certificate

If you meet the above criteria and you're seeking a rewarding career with a nationally recognised household brand, then we would love to hear from you!

APPLY NOW!!

Traineeship

Indigenous Digital Service Representative Trainee | Service NSW | Warners Bay

About Maxima Group Training

Maxima is a not-for-profit national employment services and training organisation, working in partnership with small and large businesses across Australia. We have a successful 30-year history delivering employment outcomes for people of Aboriginal and Torres Strait Islander backgrounds, with approximately 280 Aboriginal and Torres Strait Islanders currently placed in Indigenous Traineeships.

Our Client

Our client Service NSW is an award-winning NSW government initiative delivering improved one-stop services for government customers. Service NSW has been shaped by their customers - who want easier and more online access to government services and a single point of contact. They are passionate about building a culture where reward and recognition are at the heart of their team environment.

The Opportunity

Maxima in conjunction with our client, are seeking a proactive and motivated Aboriginal or Torres Strait Islander to join a rapidly growing service centre team as a Trainee Digital Service Representative. We are looking for someone who is passionate about delivering positive customer service through the use of online technology. You will be assisting and educating customers with online transactions as well as promoting the adoption of digital services.

This is an exciting opportunity to undertake paid practical experience whilst completing a (fully paid) nationally recognised Certificate III in Customer Engagement over a 12 month period. During this time, you will be working full-time, Monday to Friday with a minimum of 38 hours per week.

National traineeship wages and conditions apply.

Day-to-day duties will include, but not be limited to:

- Create a positive relationship in all interactions maintaining a professional and friendly manner and ensuring client satisfaction as a priority
- Promote the adoption of digital services and educate users
- Identify the purpose of the customer visit and assist with digital queries appropriately
- Refer customers to appropriate channel for out of scope transactions and action complaints using appropriate channels of support
- Develop and maintain a sound knowledge of information resources particularly in the digital space
- Contribute to improve the efficiency of work processes and the implementation of changes in the workplace

Skills and Knowledge

- Ability to provide high quality customer service in a fast-paced environment
- Have excellent written and verbal communication skills
- Confidence to handle challenging situations and resolve enquires in a calm and focused manner
- Flexible and adaptable during times of change to contribute to the team's strategic goals
- Display resilience and courage to manage and prioritise time and tasks effectively
- Intermediate experience using technology (computers/telephones/software packages)

How to Apply

Please note that you must be of Aboriginal or Torres Strait Islander descent to be eligible for this role.

To apply, complete the online application form and attach a copy of your resume and cover letter outlining your suitability for the available role.

Only shortlisted applicants will be directly contacted.

Applications close Tuesday 10th of November 2020

Digital Service Representative Traineeship Warners Bay

Who you'll be working with...

About Service NSW

Service NSW is an award-winning NSW government initiative delivering improved one-stop services for government customers. Service NSW has been shaped by our customers - who want easier and more online access to government services and a single point of contact.

Service NSW delivers more than 800 transactions - including driver licences, birth certificates, Seniors Cards and Fair Trading licences through one digital service, one phone number and a network of one-stop shops.

About HVTC

HVTC Hunter is an expert in the employment and training of apprentices and trainees. We believe skills change lives and that apprenticeships and traineeships can open doors to incredible careers. This is why we partner with businesses to match the right person with the right career.

Certificate 111 Traineeship and Certificate 111 Casual Educators

We are seeking an enthusiastic and motivated full time trainee to join our team at Bolton Point Child Care Centre, commencing in January 2021.

Our Centre is a not for profit community based Child Care Centre caring and educating for children aged 0-5 years of age. Our hours of operation are Monday to Friday 7.30 to 5.30 for 48 weeks a year.

We are situated in a lovely position near the lake which is a great opportunity for community involvement and fun learning opportunities for the children. We have a supportive Management Team who prioritise staff growth and wellbeing.

Essential Requirements:

- Must be 18 years of age and over
- Able to commit to a 12 month study placement.
- Current Working with Children's Check.
- Able to work flexible hours
- Genuine desire to enter the Early Childhood Industry and a commitment to complete the training.
- Be professional, enthusiastic, motivated and reliable.
- Excellent verbal and written communication skills
- Be able to work within a team.
- Basic computer skills

Desirable Requirements:

- Previous experience working with children
-

Please include a resume and cover letter with your application outlining why a traineeship in Early Childhood Education is a career path you wish to take, showing any recent experience working with children. Applications need two contactable referees. Applications can be emailed to The Management Committee at bpccc@bigpond.com.au.

Candidate can only apply if they have not previously completed a Certificate 3 or higher in any course or trade.

Casual educators

We are also seeking casual certificate 111 educators to join our team. If you are looking for some casual employment please send your resume and cover letter to the email address below.

The successful applicant will be required to complete a working with children's check prior to gaining employment at the centre.

All applicants must address the essential criteria in a cover letter and include a resume with 2 contactable referees. Applications can be emailed to The Management Committee at bpccc@bigpond.com.au.

Applications close: Friday 16th November 2020

Traineeships (2): Early Childhood Education - Certificate III

Merindah Children's Centre, Wallsend is a community based not for profit preschool and early learning centre. We are seeking an enthusiastic, reliable and happy Certificate III trainee who wants to learn to become a professional educator.

Trainee position: Certificate 3 in Early Childhood Education and Care

Hours: 5 days per week (38 hours) commencing preferably from November/December 2020.

Essential Criteria

- Eligible to enter into a traineeship with no other Certificate 3 or higher qualification
- Minimum 17 years old
- Is dedicated, has a 'can do' attitude with a positive disposition and oozes initiative
- Proven ability to work within a team
- Genuine Interest in a career in Early Childhood.
- Agrees to be and stay fully immunised and have evidence of immunity as recommended by NSW Health
- Award conditions & WWC check applies
- Police check will be required for any applicants over 18 if successful.

The traineeship will be for a term of one year.

Applications MUST include an application letter addressing all criteria, a resume with 2 contactable referees to resumes@merindah.org.au

You will be contacted if you are successful in being selected for an interview.

Closing Date: 15/11/20 or until the right applicant is selected. Interviews will be held progressively.

Visit our website for more information about us at <http://www.merindah.org.au>

Childcare Trainee

We are a boutique family run 39 place childcare centre. We have a strong experienced team of educators who are highly motivated, passionate and skilled. We are seeking an applicant who is interested and passionate about early childhood education and obtaining a Certificate III in Early Childhood Education and Care.

About the role

You will complete your Certificate III in Early Childhood Education and be monitored by a team of professional educators

This is a full time position in which you will work on the job plus receive study time to support you in achieving this qualification.

As an educator you are expected to be an active member of the Lakeside Creative Minds team.

This includes...

- Developing strong and meaningful relationships with educators, children and parents
- Implementing and upholding the policies and procedures of Lakeside Creative Minds
- Working collaboratively with other staff members
- Ensuring all study and training requirements are up to date and complete on time

Skills and experience

To be successful in this roles you will...

- Be passionate about educating and caring for children from 18 months to 6 years.
- Be able to work as part of a team and take directions from others.
- Contribute to that team.
- Be committed to study and dedicated to learn through experiences.
- Be neat and tidy in appearance.
- Have good time management skills along with clear communication and language skills with the confidence to speak with educators, children and families.
- Hold a current Working with Children's Check (or be willing to gain one).
- Please send a resume and cover letter

Business Traineeship (BSB30115 Certificate III Business)

Traineeship

Are you our next Business Administration Trainee?

About the Opportunity

Maitland City Council's traineeship program is a fantastic way to kick-start your career and gain professional experience in local government!

Commencing in January 2021, for a period of one year, our three **Business Administration Trainees** will undertake general administration tasks across Council. The primary purpose of this traineeship is to give successful candidates an opportunity to gain exposure to multiple areas across Council including:

- Planning and Environment
- Infrastructure & Works
- Strategy, Performance & Business Systems

As a Business Administration Trainee you will do two six month rotations within the above areas. You will gain an insight into the unique operations of each department, assist with enquires and requests from internal and external customers, and provide assistance on a variety of projects.

This traineeship provides an opportunity for the successful candidate to gain practical on the job experience, whilst also obtaining tertiary qualifications through TAFE NSW. Maitland Council will provide you an opportunity to develop your skills, knowledge, and experience across a range of administrative functions across Council.

About you

To be successful in this role you will possess:

- Eligibility to complete a traineeship (please read role charter to make sure you are eligible before applying)
- Positive attitude to team work
- Effective verbal and written communication skills
- Willingness to learn and demonstrated initiative
- Provisional or full licence by the commencement of employment (January 2021).

This role will be suitable for those who have recently completed high school, as well as any candidates who may be looking for a change of career and an opportunity to gain experience in local government!

You will need to:

- Click 'Apply Now'
- Address the selection criteria and provide relevant examples
- Upload a covering letter
- Upload a copy of your resume including copies of school reports (if applicable) and driver's licence

The trainee wage rate and eligibility criteria are attached to the role charter for information.

Benefits

This is a temporary full time role with a salary range of \$17,305 up to \$35,204 per year + 9.5% p.a. super depending on age/years out of High School. Council also covers the cost of all TAFE fees and gives trainees access to staff benefits such as fitness passport.

Questions?

If after reading the role charter you have any questions, please contact Human Resources on [02 4934 9749](tel:0249349749).

Applications close: **Sunday 15 November 2020**

Please note, prior to an offer of employment being made, recommended candidates will be required to undertake a medical assessment (including drug and alcohol testing). Council also completes a range of other pre-employment checks which may include reference checks, employment history checks (past 5 years), psychometric testing or a criminal history check. For more information about the recruitment process, visit our website and search 'work with us'.

What happens next?

Once applications close, we will review all candidates' details against the selection criteria and will be back in touch with you to advise the status of your application and if selected for interview the next steps in the process.

visit maitland.nsw.gov.au/work

Junior Accounts Traineeship

- Gain a Certificate 3 in Accounts Administration
- Rewarding Career Opportunity
- Cardiff Location

ROLE

MEGT (Australia) Ltd makes Apprenticeships and Traineeships happen. If you are looking at starting your career, a Traineeship is a great way to receive training and skills while you are working.

This is an excellent opportunity for a junior looking to pursue a career within the financial services industry. A great opportunity to start your career in business whilst working with a collaborative, vibrant and energetic team. Our Employer values and supports their clients, to assist with their business success. You will be personable, friendly, professional, respectful, and confident on the phone, a fast learner and have high attention to detail. As a Trainee, you will complete a Certificate 3 in Accounts Administration over a 12 month period (and paid!), with the opportunity for career progression with the company.

Your duties will include and not be limited to;

- Be the first point of contact for all client queries
- Bank and account reconciliations
- Prepare management reports
- Compile insurance and workers compensation documents
- Reconciliation of Monthly BAS
- Processing invoices
- Answering and directing incoming phone calls
- Monitor and respond to emails
- Use of computer systems (MYOB and Microsoft programs)

SKILLS & EXPERIENCE

To be considered for this opportunity ideally you will have:

- Drivers Licence and own transport
- Intermediate computer literacy (Microsoft Word, Excel and Outlook)
- High attention to detail and numeracy skills
- Excellent communication, written and interpersonal skills, along with a positive attitude
- Committed and able to complete the 1 year Traineeship

COMPANY CULTURE

Our Host Employer is a business who supports their clients with setting goals to assist with achieving a business plan and reaching it. Our Host Employer believes when the collective beliefs, values and attitudes of the business align with the client's vision, success is inevitable.

BENEFITS

- Receive a Certificate 3 in Accounts Administration
- MEGT Field Officer for constant support in the Traineeship

HOW TO APPLY

If you are ready to take your career to new heights and are ready to join a company who are looking to hire the industry's best and brightest talent - simply hit 'Apply' now and send your resume to MEGT today.

The first stage of the selection process will involve a phone interview and only successful applicants will be contacted. Final interview stage will be an onsite interview with the Host Employer.

MEGT (Australia) is a Child Safe and Equal Opportunity employer committed to child safety and providing a work environment that values diversity and inclusion

Should you have any questions or would like more information regarding this position, please contact Amber Gillett on [0408 352 883](tel:0408352883).

Child Care Traineeships

About the business

At Little Miracles we are a Christian family owned business who believe our best assets are our staff. We develop our Educators by building on their strengths through our strength coach, so that you may lead positive lives both inside and outside the business. Throughout your traineeship you will be supported by a mentor and the team who will all ensure your success.

We also love giving back by supporting various charities which are chosen by both our employees and owners. You will have the opportunity to be part of our team and make a difference to people's lives particularly those who are disadvantaged or in need.

About the role

On offer is a 12-month Certificate III Early Education traineeship. At the end of your traineeship you will hold the qualification which will allow you to work in Preschools and Long Day Care centres. You will be given the support and guidance to learn on the job whilst getting paid to build yourself a new rewarding and lasting career.

During your traineeship you will work with our trained educators who will support you to grow into a well-rounded educator. You will work with our beautiful children and families and be a vital person in their lives to help them reach their full potential, while supporting each child to transition into their next stages of life.

Benefits

Here at Little Miracles we are a "people come first" business and our educators, our parents and our children are valued above everything else. If successful you will have the benefits of:

- A supportive environment with a strong focus on a culture of honour
- First class virtual training given off the floor to complete part of your study
- On the job training which will gain you a certified qualification in a rewarding career
- Personal and professional development with the possibility of further career development once your traineeship is complete
- Work in a business which makes a difference to lives and communities
- Participate in Fun days held through the year

Skills and experience

- No previous experience is required.
- A can-do attitude and willingness to learn is essential.
- To be successful you need to be organised and multitasker.

[Position Description](#)

Pre-Employment Screening:

Please note, prior to an offer of employment being made, recommended candidates will be required to undertake a medical assessment (including drug and alcohol testing). Council may also complete a range of other pre-employment checks, such as references, employment history checks, working with children checks or a criminal record check.

Guided by staff values of integrity, respect, teamwork, accountability and excellence, Cessnock City Council is indeed an attractive, thriving Council and employer of choice.

Trainee Vehicle Sales Consultant

About the Role

We are looking to engage a highly motivated individual seeking to develop a career in the Automotive Industry. Our **Kloster Hyundai** dealership enjoys a high level of inquiry generated by an excellent reputation and being part of a large dealership group.

The ideal candidate will like to achieve and will be determined to succeed. They will possess exceptional communication skills and a strong desire to help customers. Professional experience of working within a sales and/or customer service environment would be an advantage.

The must haves:

- Customer service focused
- Outgoing personality
- Strong communication skills and confidence to deal with people on all levels
- Ability to work effectively within a team environment
- **MUST** be able to work weekends
- **MUST** have a current Australian drivers licence & own transport
- **MUST** be able to drive a manual vehicle

What we offer:

- A rewarding career within a well-known and respected business
- A supportive and dynamic team environment
- Access to a range of career development and advancement opportunities
- An excellent salary and benefits package

This role will be a challenging, yet rewarding career choice and will allow the right individual to be mentored and supported throughout their journey.

About Us

The Tony White Group is one of Australia's largest family owned automotive dealers with 30+ years experience and employs over 1500 professionals who work hard to ensure customer satisfaction and the company's success.

We aim to recruit, train, and retain an Industry-leading, diverse, and motivated team of professionals.

With the opportunities presented by our multiple brands, diversity of roles and range of locations, recruits to our business will find the opportunity to increase their skills, knowledge, experience and versatility within the organisation.

If you think you'd be a great fit for the Tony White Group and you want to work with the best in the Industry, we'd love to hear from you!

To Apply

Together with your resume, you should include a covering letter addressing the above criteria demonstrating your suitability to this position.

Trainee Vehicle Sales Representative

We are the Cessnock Automotive group and we are growing!

We are a family owned and operated group of dealerships with an unbeatable reputation for customer relationships, a terrific staff culture and located just 35 minutes from Newcastle, we are also passionate about our people & cars!

We strive to work towards developing high achievers and future leaders in the sales and automotive industry. We will work with the right candidates and help build their skills in sales, communications and leadership, so we are looking for exceptional people who fit the bill.

We offer a supportive team environment that gives you the mentoring, training, advancement opportunities and the resources and environment you require to excel in the company.

Responsibilities

- Develop exceptional knowledge on the vehicles offered
- Understand customers objectives, buying criteria and decision-making processes
- Form long-term business partnerships with customers
- Identifying and exceeding the needs of customers by providing in-depth advice and service
- Assisting customers in the selection and purchase of their dream vehicle
- Conducting product demonstrations, preparation of vehicle deliveries and helping customers with their services and parts requirements post-sale.
- Maintaining the presentation of the yard

The benefits to you

- We understand people want a career, not just a job – so we offer an attractive salary, supported with a terrific commission structure and the chance to earn even more as your experience and career grows.
- Dynamic and Supportive Work Environment
- Career Progression and Personal development
- On the job, in-house training tailored to the individual, by industry leaders

About you

- Current and valid driver's license and able to drive manual transmission
- Exceptional communication and customer service skills
- Willingness to learn and be part of a team environment
- Reliable, organised and well presented
- High motivated and ambitious
- Computer literacy skills
- Great attention to detail
- Desire to progress, grow and learn within your career

If this sounds like the career path for you then we really want to hear from you today. Applications in the first instance should be to Patrizia Coluccio on patriziac@cessnockautomotive.com.au all applications will be handled with the strictest of confidence.

Traineeship

Junior Trainee Office Administrative Assistant

This role will be offered as a full-time traineeship position Monday to Friday reporting to the Office Manager.

Prior experience is not essential as all training will be undertaken during the traineeship. This role would ideally suit a HSC graduate who is keen to secure a career in administration.

We require an immediate start on these positions thus applications will be vetted daily for suitable candidates

Experienced & Trainee Salesperson - Cardiff

OzCar is looking to employ an Experienced Salesperson.

OzCar is one of Australia's biggest and most innovative used car retailers.

What can OzCar offer that most cannot?

- 19 years in business.
- Over 800 vehicles to sell from.
- Quality vehicles with a money back guarantee.
- Minimum 30 web enquiries per week.
- Minimum of 20 face to face sales opportunities per week.
- Access to ongoing, industry best sales training.
- Access to our world 1st Sales APP.
- Goal driven, winning culture.
- Advancement opportunities
- Excellent commission package. (Once training probation is completed)

What you must offer!

- Great customer service.
- Willingness to learn as we will provide on the job training.
- Willingness to go the extra mile.
- Motivation to succeed.
- Drivers licence.

Car selling experience is not essential, in fact we prefer non car industry applicants who don't have any bad habits.

Sales & Marketing Trainee

Working under the General Manager, this role will be instrumental in assisting with the development and execution of the Marketing, Digital, Sales and Events strategy for Tulloch wines.

Tulloch Wines has been crafting wines and experiences that reach beyond the bottle and across four generations for over 125 years, creating better lives of Wine, Food, Family & Friends.

THE JOB REQUIRES:

Marketing & Events - coordination of our full calendar of on and offsite events focussing on organisation and participation. This will include coordination of event participation forms, stock delivery, promotion, team briefing and can involve attending events. Previous hospitality experience with an eye for detail would be advantageous.

Marketing Assistance - an understanding of digital and social media principles to help drive our digital and social media strategies, driving on-line sales revenue and traffic and website maintenance. The role will require an understanding and practical knowledge of digital marketing trends and activation. Exposure to these environments would be highly regarded.

Wine Club sales – you will be highly involved in wine club direct-to-consumer wine sales via telephone, email and website. A highly structured and process driven environment would see a well organised team member with the ability to multi-task excel in this area.

Cellar Door Sales- will involve face to face customer interaction at our award-winning cellar door, delivering our range of tasting experiences and selling wine and club membership to the general public. Basic wine education will be provided.

This role may include the requirement to travel to and attend of our events throughout Australia. This role is full time (5 days) and includes weekend work. It is a requirement of this role to hold a valid RSA certificate.

It is anticipated that this role will be highly sought after so make sure you stand out from the crowd. To apply forward resume, cover letter outlining why this is the role for you and a copy of your current drivers license.

Trainee Environmental Health Officer

About the position

The Trainee Environmental Health Officer will assist in administering Council's food safety, environment and public health obligations under the direction of the Senior Environmental Health Officer. This includes inspections of food premises, hairdresser and skin penetration premises and on site sewer management systems.

You will work closely with other professionals within Council; engineering, town planning, finance and sustainability roles. This is a good chance to learn about local government.

About us

Muswellbrook Shire is one of NSW's most dynamic local government areas. For over four decades it has been at the heart of the State's energy industry; with two of NSW's base load power generators located in the Shire, Bayswater and Liddell. Muswellbrook Shire's coal industry exports 25% of NSW's thermal coal, it is the home of the two largest thoroughbred horse studs in the southern hemisphere and is a growing destination for visitors.

Muswellbrook Shire Council is a vibrant workplace with a commitment to excellence in all facets of its operations, and is committed to employee welfare and development.

About you

This is an exciting opportunity to complete a 2 year Traineeship undertaking a Certificate IV in Local Government (Health and Environment). The salary range will be dependent upon traineeship conditions. To be successful in this role you must possess:

- Higher School Certificate or Equivalent;
- Current NSW Drivers License;
- A requirement of this role is to complete a Certificate IV in Local Government (Health and Environment)
- Developed communication, literacy, numeracy and computer skills
- Demonstrated Interest in gaining a career in Health and Environment
- Demonstrated experience and/or capability to deliver the Job Specific Key Accountabilities (outlined in position description)
- Demonstrated Fundamental Key capabilities as defined in the Key Capabilities Table (outlined in position description).

Further Information and to Apply

For more information on this position, please refer to the attached [Position Description](#), Council's Careers website, or contact Claire Rozema, Senior Environmental Health Officer on (02) 6549 3883.

To apply:

1. Complete the application form below, including providing responses to the mandatory questions required. Unfortunately, an unfinished application can't be retrieved to finish at a later date. Please keep your responses concise.
2. Attach your Resume and a covering letter where indicated.
3. Click 'Apply'.
4. You will receive an email confirming your application has been submitted.

Applications close on 27 October 2020.

Visit www.muswellbrook.nsw.gov.au or contact 02 6549 3700

"To do what is best for our community through leadership, excellent service and encouragement of sustainable development"

Trainee Store person - Rutherford

Enjoy a career with Beaumont Tiles!

- Be part of our growth
- Dynamic, supportive and successful teams
- Must be available Saturdays (on a roster basis)
- Immediate start

As a Trainee Store person at Beaumont Tiles Rutherford, you will be providing warehouse service at a very high standard to ensure customers are 'delighted' and 'excited' about their experience with us every time.

Reporting to the Store Manager, your day to day work will mainly focus on various warehouse duties such as customer pick-ups, receiving and packing deliveries, stock control and providing service to trades, retail customers and builders. You will also contribute to the store warehouse, managing stock levels, loading and unloading stock in vehicles, packing deliveries and maintaining the overall look of the warehouse.

THE CHALLENGE

The challenge for you is to bring positivity and energy to the team, be motivated to succeed and learn and constantly develop your industry knowledge so that you are a true expert in your field.

Your infectious passion for service will naturally generate demand, interest and excitement for Beaumont's customers and inspire them with an outstanding "experience" every time.

THE SKILL SET

- Stores experience in a retail, sales and service environment ideal but not essential
- Proven abilities in achieving and exceeding targets
- Outstanding communication and interpersonal skills
- Administrative skills and technologically savvy
- Physically able for the loading and unloading of heavy products
- Drivers licence is essential
- Forklift licence is desirable
- Excellent written and verbal communication skills

THE PERKS

- Career development and training
- Flexibility in a fun and collaborative work environment

THE TEAM

Apart from offering the opportunity to work with a recognised national company that offers career development, family-friendly culture and environments, the Beaumont Tiles stores, sales and customer service teams are driven and dedicated to meeting the needs of the customer.

THE BEAUMONT TILES STORY

Beaumont Tiles is Australia's biggest retailer of tiles and bathroom ware with over 100 outlets across most states. An innovative market leader, Beaumont Tiles buyers travel the globe to bring back the best in tiles, stone and bathroom ware. Beaumont Tiles has company owned and franchised stores servicing trade, home builders and renovators, and the commercial sector. www.tile.com.au

Enjoy your work with Beaumont Tiles!

Working with our host company, we are looking for a motivated individual with a strong work ethic who is interested in completing a Certificate II in Engineering. The successful applicant will complete this traineeship over 12 months while gaining on-the-job experience.

The duties of this position include, but are not limited to:

- Gain knowledge of safety equipment locations, fire hoses, extinguishers, exits and muster areas
- Gain knowledge of the factory layout and departments, and product identification
- Provide customer service
- Strap post and rail packs and place in the storage area
- Strap and pack battens and rainwater goods
- Measure quickly and accurately using a ruler and tape
- Measure and cut sheets according to size
- Manoeuvre vehicles into position for loading and unloading
- Ensure loads are correctly placed and secured to avoid damage to the truck or goods
- Perform required daily prestart checks on vehicles/plant and report any defects/faults
- Carry out basic vehicle maintenance including purchasing fuel and oil as required
- Drive vehicles to their destination and unload/load in a cost-effective manner
- Monitor fuel and oil usage, tyre wear, etc. of their allocated vehicle and trailer
- Abide by all road safety laws and rules
- Adhere to all company policies and procedures
- Commitment to attending and completing all requirements of TAFE

Essential Criteria

- Sound attention to detail
- Sound verbal communication and interpersonal skills
- Ability to work effectively in a team environment
- Abide by safety requirements in the workshop
- Drivers Licence

Desirable Criteria

- Flexibility to work a rotating roster
- Basic electrical and mechanical knowledge
- Forklift licence

To make an application for the position please send a cover letter and resume. This position is subject to a medical and drug and alcohol testing.

Please be aware this is an entry-level position and not suitable to someone who has completed a qualification equal to or higher than a Certificate II in Engineering.

HunterNet Group Training Company engages apprentices and trainees on behalf of employers, with the aim of achieving high-quality outcomes through a partnership approach.

Reception Nurse - Trainee

Dr Paws is located between Westfield shopping centre and Kotara Home Makers Centre. We're 500m from the historic Fernleigh bike track and within 10 kilometres of Newcastle's central business district and numerous picturesque surf, swimming beaches and ocean baths.

About the role

Dr Paws Veterinary Clinic Kotara is looking for a motivated and customer service focused Trainee Receptionist to join our team.

This will be a traineeship position and the applicant will need to meet the Australian Traineeship guidelines.

The ideal applicant will have outstanding customer service, strong communication skills and great time management skills are essential.

We believe in best practice and have an emphasis on staff training, protocol development and retaining our staff, but also to achieve a positive work/ life balance.

Clinic culture and working relationships are important to us. Often in small working environments, staff become like family and we aim to look after each other, be supportive of one another and encourage growth.

The clinic is open Monday – Friday 8am-7pm, Saturdays 9am-2pm. Closed on Sundays and Public holidays. This role will involve a Saturday Rotation.

Due to the high volume of applications only shortlisted applicants will be contacted.

Skills and experience

Overview of Key skills and traits for this role include:

- Bright and bubbly personality
- Will need to be willing to enrol into a Certificate II animal studies via Tafe NSW online.
- Highly organised with great time management and administration skills
- Works well in a team and also autonomously
- Prides themselves on customer service
- Answering phones and booking in clients
- Flexibility, enthusiasm and a positive attitude
- Ability to multitask
- Reliable
- Willing to learn all things surgery
- Confidence in all things reception and patient care

Please note this is a Reception position only.

Certificate 111 Trainee

The Little Unicorn Centres on Honeysuckle currently seeks to employ a full-time Certificate 111 TRAINEE. The trainees will undertake a Certificate III in Early Childhood Education and Care, with the contract period being for 12 months.

The successful applicants must:

- * Possess a Working with Children Check (WWCC) or willing to obtain one
- * Be willing to combine study components with workplace experiences to obtain qualifications
- * Be willing to work rotating shifts and assist all educators willingly
- * Possess good written and verbal communication skills
- * Be able to work with a team and follow instructions from all educators
- * Possess a passion for working with children and a willingness to learn.

Exemplary trainees may have opportunity for future full time employment, upon completion of traineeship.

Year 12 School leavers are welcome to apply.

Applications must be emailed to: honeysuckle@thelittleunicorn.com.au

They must include a cover letter and resume and must be submitted via email. WWCC number and drivers licence number must be included in application.

Early Childhood Traineeship

If you are enthusiastic, dedicated, determined and able to think outside of the box then this position is for you.

Traineeships

At creative childcare we are interested in growing and developing our staff and we currently have the need for a trainee at our modern centre in Kotara. There are many benefits of working in early childhood and you get to work with our experienced staff who will provide on the job training and mentoring.

What we are looking for:

We are looking for someone to join our amazing team that is committed to having a career in early childhood. Someone who understands our philosophy of providing a safe, secure and happy environment where children foster a sense of wonder, fun and excitement in an atmosphere of love, acceptance and learning.

What we have on offer:

training and development
Wonderful team
Modern centre

If this sounds like a role you would be interested in, please apply online with your resume and cover letter by Friday 30th August, 2020. Please outline in your cover letter 3 reasons why you would like a career in early childhood.

Retail Traineeship - Aaron Henry Optometry

Aaron Henry Optometry provides comprehensive optical services to the people of Muswellbrook and surrounding communities. We are proud of our reputation as a trusted optometry practice that delivers first class service in a warm and friendly environment.

Our practice is equipped with state-of-the-art technology to ensure that we are detecting and diagnosing eye conditions as early as possible. In addition to our first-rate technology, our practice is staffed with the very best people.

About the Role

We have a full-time traineeship on offer, which cover Retail and Optical Dispensing which means you will be building customer service, fashion, retail and optical skills to help our patients look their best and provide the best vision outcomes.

About You

We are looking for someone who likes fashion and helping people but most importantly wants to learn and build a new career. We are a ProVision member so have access to a great online learning system which you will use to build your knowledge as well as hands on training in practice.

You will work well within a team, be adaptable to different personalities and Optometry needs and take part in team meetings and training requirements. You have great communication skills and are willing to go the extra mile to ensure a great experience and best outcomes for our patients every time.

If you are a school leaver looking for a career or someone looking for a change in direction, we would love to hear from you.

Academy Brand KOTARA Christmas Casuals

About Academy Brand

It's been over a decade since Academy Brand was formed. Our passion has always been to deliver a brand that you can feel a part of. A brand that excites you, engages you and most importantly remembers you. In 2007 the Academy was formed to find the 'forgotten man'. The man who wants a brand without being branded, attention without seeking it, quality without questions, value without compromise and trust without tricks.

About the role

As a Christmas Casual, you will be joining our team during one of the busiest periods of Trade (November 2020- January 2021).

Your core mission is to provide memorable customer experiences to each and every person that walks through the door!

To be successful in this role you will

- Have a genuine customer focus
- Be results and solutions focused
- Have the ability to multi-task
- Be driven by high KPI targets
- Operate with a positive and energetic approach
- Have an eye for detail
- Enjoy working as part of a team
- Have previous retail experience (minimum 2 years) is preferable
- Have full time availability between November - January

FIND THE ALDI IN YOU

Aldi Retail Assistant | Part Time Role | 10-15 hours per week

At ALDI, our people are the key to our success.

We're looking for high energy team members who love to keep active and busy. A Retail Assistant at ALDI needs to be able to thrive in a fast paced, team environment and always be willing to go the extra mile for their customers and team. The role is physical in nature, so you'll need to enjoy hands-on work and meeting deadlines and our shifts can start at 6am some mornings, and finish at 10pm others, so being flexible and available any 5 out of 7 days is important. Finally, prior experience in a fast paced, retail environment will be viewed favourably; however a positive attitude and hardworking spirit are an absolute must.

What's in it for you?

- Market leading remuneration - \$25.31 per hour*
- Be a part of a leading international retailer
- Career opportunities in our rapidly growing store network including progression to Management Roles
- Extensive training and development.
- Rotating roster and limited contracted hours.
- 4 weeks annual leave
- Work alongside friendly and supportive colleagues

You will be responsible for:

- Maintaining and replenishing stock storewide
- Operating manual pallet moving equipment
- Merchandising stock storewide
- Serving and assisting customers in a professional and efficient manner
- Operating tills and calculating change manually

Retail Sales Assistant

Foodworks East Maitland is small family owned supermarket that prides itself on providing the local community with a great range of fresh food and every day essentials along with outstanding customer service.

The store has just undergone major renovations and has a casual position of approximately 30-38 hours per week available for the right person.

About the role

A typical shift at FoodWorks East Maitland is fast paced and varied. Our retail assistants are responsible for providing outstanding customer service to our local community, they enjoy building rapport with local customers whilst providing them with grocery essentials and fresh produce. Daily tasks include serving customers using POS technology, maintaining fresh produce to the highest standard, filling shelves with weekly deliveries and ensuring that the store is kept clean and tidy at all times. Our retail assistants have an eye for detail and are highly motivated to keep the supermarket running successfully.

Our successful applicant will:

- *Be energetic, enthusiastic and passionate about providing outstanding customer service.
- * Have strong communication skills, the ability to follow instructions and show initiative.
- *Be punctual, reliable & hard-working
- * Be willing to work some weekends & public holidays on a rotating roster
- * Desirable but not essential is experience working in a food retail store
- *Desirable but not essential is experience as a barista within a fast paced environment, providing quality coffee for take away customers

If you think your skills and experience are a good match to this position please send your resume along with a cover letter to philoo7@bigpond.net.au
Only successful applicants will be contacted.

Junior Casual Labourer - Metal Work

Your new company:

Spartan Doors has recently grown from a local, specialised manufacturer to now supplying commercial, industrial and residential construction projects across the entire eastern seaboard. Our new, larger manufacturing facility was opened in September 2015 and our growth has seen this new and important role created.

You will be working in a fully catered workshop environment as part of an operations team fabricating custom industrial and commercial steel door & frame products.

To be successful in this role you will need the following technical levels:

The successful applicant will be punctual and reliable, pay particular attention to quality and cleanliness, be willing to learn and apply new techniques, systems and materials, and above all, be a team player. In turn, we will provide everything needed for a successful apprenticeship and career.

1. Be able to communicate proficiently through speaking and writing English
2. Trade level Mathematics skills (year 10 minimum)
3. Woodwork, metalwork (or similar) subject completion (year 10 minimum) preferred but not essential
4. Demonstrated IT literacy
5. It would be beneficial to have car licence but not essential

What you need to do now:

Please apply via Seek before the below close date.

Applications close 14th November 2020.

Optus Sales Associate Hunter Valley

Are you someone that:

- Wants to learn new skills and abilities as part of your job?
- Enjoys working as part of a team?
- Loves to hit targets and get bonuses?
- Wants to be rewarded and have fun at work?

This is an exciting time to be at Optus, we are so much more than just being a traditional telco, we have new challenges and opportunities for those looking to join our team on this journey. Are you looking to take your exceptional customer service approach in a new direction, within an organisation that can offer you opportunity and a career path?

At Optus we are passionate about the potential for new ideas and new approaches to improve people's lives and we're looking for Sales Associate who feel the same. We are currently looking for Casual Sales Associate who is looking for a career or lifestyle change to join our team.

We are looking for someone to join our team that:

- Has a positive attitude
- Takes initiative
- Is teachable & willing to learn
- Is willing to put in the hard work required to be part of an award winning team

The role:

As a Sales Associate, you will be the face of our store and the essence of our customer's experience. You will provide customers with the ultimate service experience through your can-do attitude, sense of fun and dedication to both our customers and our brand. You will be able to tell each customer's story by asking the right questions and listening to, and truly hearing them, and do everything in your power to ensure every customer leaves our store happy!

What you'll need to have:

We are looking for reliable people who have valuable work and life experience and are ready to put those skills to use. You don't need to understand phones and networks; we'll give you all of the training and development needed. We are more interested in your communication skills rather than your technical knowledge. You will have an interest in telecommunications. You will be a champion of our vision and values. You will be an exceptional communicator with excellent presentation. You're a listener and relationship builder, who can problem solve in a fast paced environment. You will have a current Australian driver's licence with your own reliable transport. You will be willing to work weekends as well as engage in training outside of our core trading hours.

If this sounds like something you're interested in, please send through your resume. Your cover letter will have the following information to be accepted for an interview:

One paragraph explaining why you want to work with Optus and why you think you would like this job.

- Information about yourself
- Any sales/retail experience
- A recent headshot to identify yourself

Junior Casual Labourer - Metal Work

Your new company:

Spartan Doors has recently grown from a local, specialised manufacturer to now supplying commercial, industrial and residential construction projects across the entire eastern seaboard. Our new, larger manufacturing facility was opened in September 2015 and our growth has seen this new and important role created.

You will be working in a fully catered workshop environment as part of an operations team fabricating custom industrial and commercial steel door & frame products.

To be successful in this role you will need the following technical levels:

The successful applicant will be punctual and reliable, pay particular attention to quality and cleanliness, be willing to learn and apply new techniques, systems and materials, and above all, be a team player. In turn, we will provide everything needed for a successful apprenticeship and career.

1. Be able to communicate proficiently through speaking and writing English
2. Trade level Mathematics skills (year 10 minimum)
3. Woodwork, metalwork (or similar) subject completion (year 10 minimum) preferred but not essential
4. Demonstrated IT literacy
5. It would be beneficial to have car licence but not essential

What you need to do now:

Please apply via Seek before the below close date.

Applications close 14th November 2020.

Recruitment Consultant - Entry Level Role

- REAL Opportunity for Career Progression
- Rewarding Role In a Positive Work Environment
- Training Provided!

recruitnow! is a specialist recruitment business, working together with candidates and clients on both temporary and permanent roles. We are frequently described as being 'easy to deal with', being a professional team that shows transparency, commitment and diligence throughout the complete process. Talk to us with confidence!

As the name suggests, recruitment is our core business, however as 360 degree Consultants we do so much more than recruitment. We build and foster business relationships, drive sales, consult and source candidates for both casual and permanent roles with our valued clients.

We are currently looking for a Recruitment Consultant trainee to join our team in Wickham. To be successful, you will ideally possess at least 12 months experience working within a sales-based position in the service industry. We are seeking self-motivated individuals, with the ability to work autonomously.

Being highly driven, your focus will be to consolidate on existing client relationships as well as developing brand new ones. Portraying a winning attitude and always showing transparency in your dealings with all stakeholders of the business is a must.

As a sales motivated individual, your personality will play a major part in promoting the company. You will have strong communication skills and a proven track record of being able to build and maintain strong business relationships.

In return, a competitive salary, generous commissions and tools of the trade will be offered to the successful person. This is an excellent chance to establish a long-term career with real rewards and a high earning potential. For a confidential discussion, please contact Liam Bown on [021 4961 4600](tel:02149614600).

So what are you waiting for? Let **recruitnow!** help you get the role you have been searching for! To apply, simply click **APPLY NOW!**

FIND THE ALDI IN YOU

Retail Assistant - Raymond Terrace

At ALDI, our people are the key to our success.

ALDI offer a supermarket experience that is like no other in Australia. Where else can you walk into a supermarket wanting to buy bread and milk and walk out with a trombone?

Luckily, to be a Retail Assistant at ALDI you don't need to be an expert trombone player. You will need to love to keep active and busy because our Retail Assistant role is so much more than sitting at a till. As a Retail Assistant at ALDI you'll be operating machinery, filling shelves, cleaning, checking product quality and tidying special buys. You don't need to be the Hulk, but the role is physical in nature, so you'll need to enjoy hands-on work!

Our shifts can start as early as 8am and finish as late as 10pm, so it's important that you have access to reliable transport to get to and from work safely. Being available to work any 5 out of 7 days is also something we are looking for. It's great if you have prior retail experience, but we are also keen to hear from people from a range of different industries like hospitality, fast food, manufacturing, logistics or even child care. Regardless of what industry you come from a positive attitude, a hardworking spirit and the willingness to learn are what we are really looking for.

What's in it for you?

- Market leading remuneration - \$25.31 per hour*
- Be a part of an international retailer
- Career progression opportunities in our growing store network
- Extensive training and development
- Rotating roster with an average of 20 hours per week
- 4 weeks annual leave
- Work alongside friendly, passionate and supportive colleagues

You will be responsible for:

- Ensuring shelves are fully stocked with products
- Cleaning and maintaining store standards
- Operating manual pallet moving equipment
- Merchandising stock storewide
- Serving and assisting customers in a professional and efficient manner
- Operating tills and calculating change manually

If you're still reading and like what you see, go and put in your application with ALDI! (When you're done with your trombone lesson of course)

*Hourly rate for Retail Assistants over 18 years of age.

Junior Warehouse Assistant

We have an opportunity for a highly motivated junior to start a warehousing career within our team at Kloster Parts in Wickham. Our parts distribution centre has an excellent reputation and is integral to our customer experience.

This opportunity is suited to candidates looking to enter the workforce with no/limited skills. Our ideal candidate will have a track record of being reliable and be willing to hit the ground running when they come on board!

The responsibilities:
